MEET CLARK!

Clark is a 4-year-old Yellow Labrador trained to provide animal-assisted interventions. He is a service dog who works with CAV’s Children’s Therapist, Denise Dumont. Clark takes part in play therapy sessions with children, provides a soothing presence for adults in therapy sessions, in our shelter and for our staff. Clark’s other “job” is visiting patients at Holy Cross Hospital. If you see him, say hi! He welcomes petting and love from everyone.
